Back to school & back to awesome guitar events.

Dear VCGS Patron,

First, I wanted to share with you a special local listing. Local favourite, virtuoso, and now Julliard School of Music masters student, Alan Liu will be performing at "The Architecture of Music Festival". This concert will happen **September 18, 1 PM** at the Oakridge Park Gallery. We hope you can make this event and witness some of the finest guitar playing to come out of Vancouver ever.
